The House of Pommery is one of the most prestigious names in Champagne – a name that is synonymous with contemporary style, elegance and finesse.

The house was established in 1836 by Alexandre Louis Pommery, but it was his wife, Madame Louise Pommery, who took over the business in 1858 after his unexpected death, that took the brand to the internationally recognised Grande Marque status that it enjoys today. During her lifetime, she selected the site in the South of the city of Reims for the Domaine, an area that she was able to build 18 kms of cellars in ancient Roman chalk pits, where the Champagne can rest and mature in perfect cellar temperatures all year round.

Madame Pommery launched the first commercially successful 'Brut' Champagne in history in 1874, following a visit to Manchester, which at the time (and still is!) one of the most important export cities in the World for Champagne. At the time, the Champagne was excessively sweetened with sugar, but it was here that she discovered by making it a drier 'Brut' style, people would be able to enjoy more of it and at many different occasions.

We are delighted to offer the different cuvees that Pommery has to offer, from the signature house cuvee Brut Royal, to the prestige Grand cru Vintages, and share them with the Hotel Gotham members and it's guests.
